

DESIGN YOUR LIFE

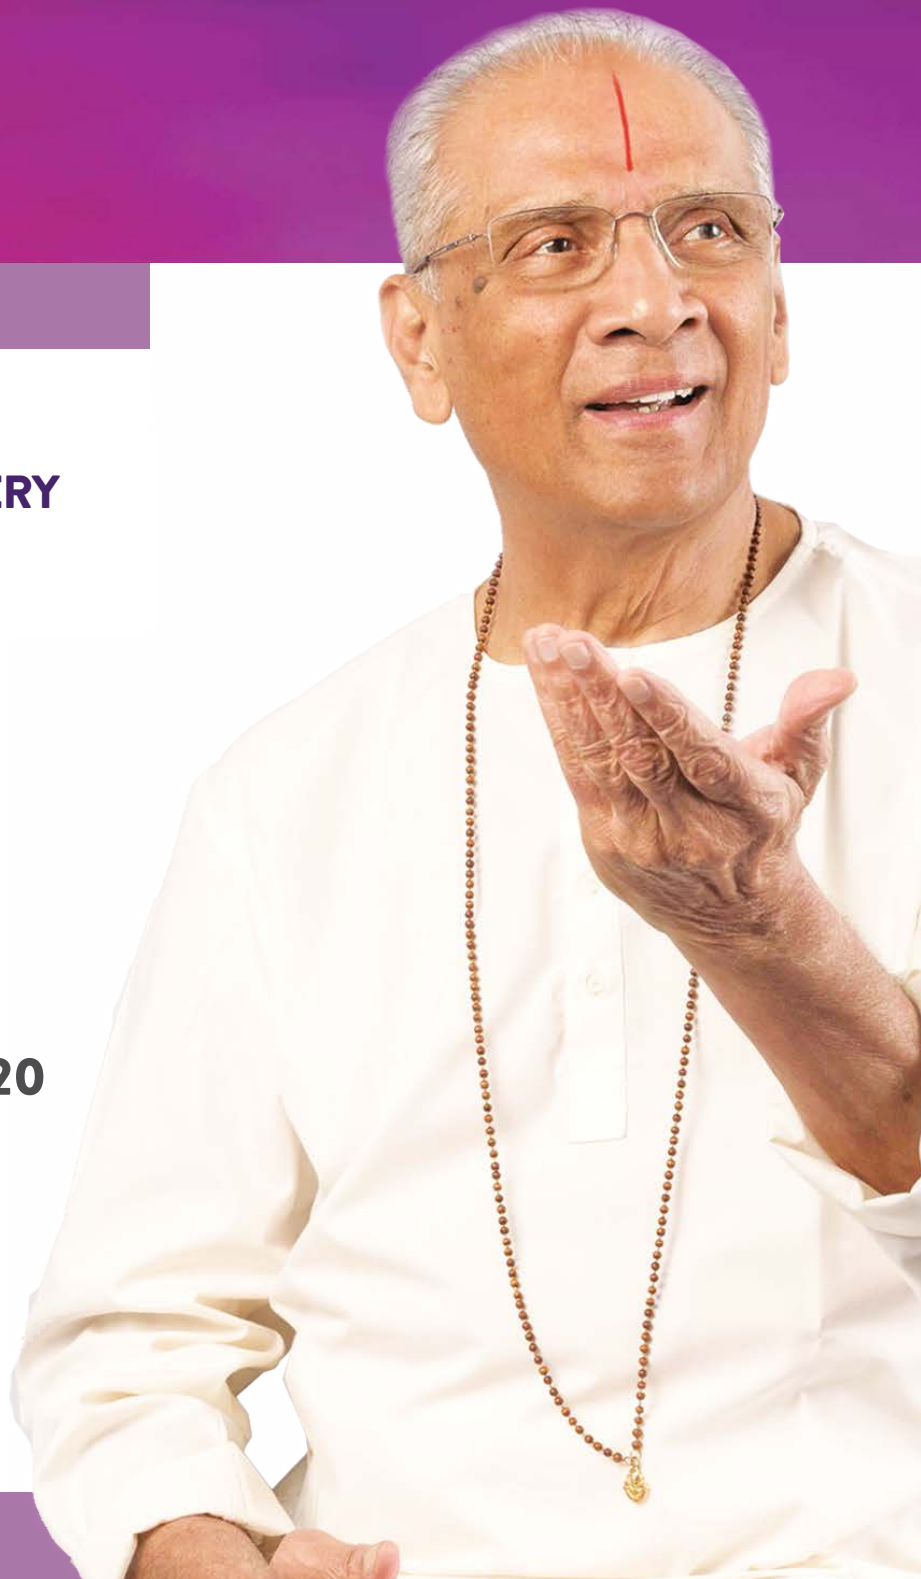

Live online weekend course for teens and young adults with world-renowned philosopher-thinker and bestselling author A. Parthasarathy.

THE ART OF SELF-MASTERY

“Living is an art, a skill,
a technique. You’ve got
to learn and practice it.”

- A. PARTHASARATHY

Fri 18 - Sun 20 Dec 2020

MAKING A LIFE vs MAKING A LIVING

Knowledge from schools and universities may help us make a living but doesn't empower us to take charge of our life and future. Life can be free from stress, depression and boredom.

The intellect makes you dynamic, stay cool under pressure and command success.

NEXTGEN SUMMIT

A three-day program for teens and young adults covering talks on smarter living, Q&A sessions, group discussions and literature sessions. An opportunity to learn how to make better choices, manage relationships and discover your path in life. Interact with students from the world over.
